RE: Year End Report (11-23-04 to 12-31-04)

This Form 99 is in response to your letter dated 3/11/05 referencing the report listed above.

I have corrected the data entry on the receipt for \$5000.00 from McCollum for Congress campaign to correctly report it as an excess funds transfer. Please refer to the amended report for this period.

Both the Battleground Victory 2004 and the Dollars for Democrats memo entries are now appearing on the amended report.

The transaction reported on Schedule B, Line 21(b) for "Banner Installation" is for a Volunteer Thank You Banner and did not mention any candidate for public office. The Spanish and Somali language Kerry lawn signs met all of the qualifications for exempt activity and are correctly reported on Line 21(b).

The "FEA GOTV Phoning" reported on Schedule B, Line 30(b) was for Generic activity and did not promote, support, attack or oppose any candidate for federal office.

I have corrected the data entry on the transaction reported on Schedule B, Line 30(b) described as "FEA Sample Ballot Mailing". This was for Slate Cards and the amended report includes the names of the Federal Candidates. Please refer to the amendment for this period.

I am working with our software vendor to correct the Year to Date Figures on Schedule L for lines 1(a), 1(b), 1(c) and 2. The total on Line 3 is correct. As soon as the software vendor corrects this I will send an amended report.

Please let me know if you have additional questions.

Sincerely,

Mary Bonk
